

MEASUREMENT UNIT – SEGMENT ADDITION POSTULATE

Given that B is between A and C, _____ + _____ = _____

Draw a figure for each statement.

1. C is between A and B.

2. D is between B and C.
C is between A and D.

Draw a figure and write an equation to find the missing measure.

3. A is between B and C. Find BC if $AB = 12$ and $AC = 5$

4. C is between D and B. Find CD if $DB = 15.8$ and $CB = 7.2$
